

KMS Announcements - Monday, March 13th

Early Out Wednesday

This school year the district has approved early outs for Wednesdays. The next early out will be Wednesday, March 15th. Students are dismissed at 1:10 pm and expected to be off campus by 1:30pm.

SBAC Testing (April 12th - May 12th)

SBAC testing is just around the corner. At KMS students will test in their teams. 8th grade students will take the science assessment between 5/4 and 5/12. If you have a family vacation planned during this time, please let your child's ELA, math or science teacher know; this will help us schedule as we aim to reach 100% completion rate.

The Smarter Balanced Assessment System will give parents and students more accurate and actionable information about what students are learning. Because these assessments are computer adaptive, <http://www.smarterbalanced.org/assessments/testing-technology/> they will also provide better information about the needs and successes of individual students. These next-generation assessments are aligned to the Montana State Standards in English language arts/literacy, mathematics and science for grades 3-8. Smarter Balanced will provide parents, students, and teachers a clearer window on whether students are on track to graduate high school, ready for college and the workplace. For more information on the SBAC testing process please visit this link: <http://www.smarterbalanced.org/about/>

Yearbook Information

The 2022-23 KMS Yearbook is once again looking for photos that parents might have taken of KMS students. You can email photos to warnellj@sd5.k12.mt.us or upload them using this link: <https://www.hjeshare.com/eShare/?code=kms2023yrbk> Not all photos will be used so we appreciate you sharing any that you might have. Currently we are looking for photos from: music, boys basketball, girls basketball, volleyball, student life. Thank you: Jana Warnell, yearbook editor
